SENIOR CLASS HISTORY

The class of '62 will leave the halls of H.H.S., but we will take with us many fond memories and a feeling of achievement. The last three years have been ones of happiness, occasional disappointment, achievement in many fields, and years of growing up.

As we entered Helena High School in the fall of '59 we were confident Sophomores with little idea of what was before us in our High School career. Our candidate was elected Princess Vigilante and we felt a victory. Other members of the class proved to be assets to the school.

In our Junior year we showed more self-confidence, and showed what a mighty class we were to become. Again our Candidate was elected Princess Vigilante, and many boys lettered in sports. Scholastically we also proved ourselves. Our Junior Prom was one never to be forgotten.

Finally we arrived at our Senior year, the year which had seemed so far away as Sophomores, but which came so quickly. The achievements made by the Senior class are many, and encompass many different areas, but as we leave H.H.S. we are leaving behind an outstanding record which will serve as a challenge to coming classes.

JUNIORS

JUNIOR CLASS HISTORY

We, the class of 1963, have again showed ourselves to be an outstanding group of students. We have made the big jump in high school, that of progressing from inexperienced sophomores to wiser juniors and we are enthusiastically awaiting our Senior year.

This year we had the distinction of having royal blood in our class; pretty Betty Featherly was elected Princess Vigilante for 1962. Janet Blevin was the other Junior Princess Vigilante candidate. Our boys proved themselves in sports and many junior boys came to be the mainstays of our football, basketball, and track teams.

We elected three girls and eight boys as delegates to Girls' State and Boys' State. The boys elected were: Jo Hendrickson, Bob Olson, Doug Feller, Tom Daly, Joel Matulys, Jim Tangen, Tim Meloy, and Morley Cooper. The girls elected were: Mary Kay Williams, Carol Ann Korizek, and Betty Featherly. The alternates are: Gary Eathorne, Myron Liable, Jean Longmaid, Sue Little, and Marilyn Baird.

Mary Kay Williams and Dennis Tode were elected for the foreign exchange program. Jean Weber and Betty Featherly were the other two H.H.S. Students who were accepted for semi-finalists in the foreign exchange prograf.

The Junior Prom will go down in the history of H.H.S. as one of the best ever held. The theme was April in Paris, and many Juniors spent long hours working towards its ultimate success.

As ourl Junior year closes, we will always hold in our hearts the fond memories of this wonderful and glorious year.

Our thanks is extended to our very able class sponsors, Mr. De Kam, Mr. Annala, and Mrs. Williams.

SOPHOMORE CLASS HISTORY

We the class of "64" came into the halls of HHS noted as small by the Juniors and Seniors, but boasting the largest class. Although a bit wary of ourselves at first we soon began to feel a part of the school.

We started things out by electing Larry Hoffman, Margie Sterling, Janet Moody, Penny Eathorne, and Earl Hanson as our class officers.

Our candidates in the Royalty Department were Mikal Morgan and Margie Sterling.

Now as we look back on the things which we did during the year gone by, plans for next year are already being made. We hope to make our next two years in HHS profitable ones.

One of the highest honors a student can achieve in Helena High School is membership into 3-7-77's. The 3-7-77's is an honorary service organization composed of 21 members—7 juniors and 14 seniors. These students are chosen from the student body on the basis of character, leadership, scholarship, courtesy, service, dependability, and citizenship.

Under the sponsorship of Mrs. Schmidt and Mr. Gilbert, 3-7-77's has carried out their program of service very well. The members have ushered at various school functions; sold concessions at games, and rendered any other service that was needed.

One of the main projects of 3-7-77's is that of the **Gus Leger Memorial Fund Loan.** Leger was the founder and past sponsor of 3-7-77's. After his death, a memorial fund was set up to help a Helena High School student and is awarded on the basis of need. This year members sold yarn dolls, and also had a car wash to raise money for the fund. The annual Thanksgiving Day Dance is also for this purpose.
